THE WAR DAY BY DAY

Fifty Years Ago.

November 16, 1863—An Engagement Was Fought at Campbells Station, East Tennessee, Between 15,000 Confederates Under Longstreet and 7,000 Federals Under Burnside—Confederate Failure Attributed to

President Jefferson Davis.

(Written expressiv for The Herald.)

Fifty years ago today an engagement mas fought at Campbella Station. East Tenbessee, about fifteen miles east of Kencyrille, hetween a Confederate force force of about 15,000 men under Gen. James Longstreat and 7,000 Federatis under Gen. Burnate and 7,000 Federatis under Gen. Burnate and 7,000 Federatis under Gen. Ambrose E. Burnatée. Ambrose E. Burnatée. Ambrose E. Burnatée. Accomptella Station. He feared that Gen. Longstreat might send thought the send of the city to meet and the federate was marching from Chattanogen to lay siege to Knoxville. Burnatée and come out of the city to meet alim. Now both were bound for Knoxville, over roads that converged at Campbella Station before him. Station were supplied to the city to meet alim. Now both were bound for Knoxville, over roads that converged at Campbella Station before him. Station before him the composition of the city of of the c

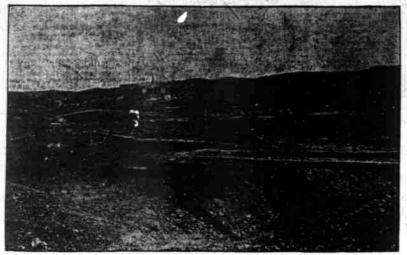

ment.

At the battle of Campbells Station this situation had its effect. Gen. Law, ordered by Sen. Jenkins to execute a flank attack on the Federala, placed his continuous and the opening of the battle until the sense allowed the Federals to refract market.

According to ten. Law this missiscing of troops was accidental. Gen Long-street did not think so.

Whether a deliberal set or not, it was sundeden to give Gen. Burnside amples time to conduct an orderly, well-mannaged retical Campbells Station to you can be to be set of the set of the proceeded to strengthen in preparation for a siege.

The losses at Campbells Station were approximately: Federals. 20 killed, 21 ye wounded. B captured or missing: total 135: Confederals, 22 killed, 21 is: Confederals, 22 killed, 21 is: The day after the engagement the At the battle of Campbells Statistication had its effect. Gen. Law

Tathams station, who has had twenty-nine year? Service on the beach, said the aurif was the worm he had ever seen, but his word and half miles to the way state of the tig.

Teased Into the Water.

Then, just as the men aboard the Margart were about to cast a line to the life savers, a tremendous wave capatised the surfboat and then a huge wave cast the small boat sagainst the side of the Margart, and then a huge wave cast the small boat sagainst the side of the water All succeeded in getting back to the beach. Then they launched the second boat before it was alongside of the Margart, and then a huge wave cast the

Distinguished Gneets Invited.

The Rev. Dr. C. Ernest Smith is chairman of the committe on arrangements, and the list of vice presidents contains the names of many Washingtonians. On this list there are a number of the nobility and the political powers of foreign countries, and many writers of world-wide reputation.

The Washington vice presidents are:
The Rt. Rev. Alfred Harding, Blandop of Washington; the Rev. Ulyases G. B.
Pierce, the Rt. Rev. Earl Cranston, Bear Admiral Charles E. Chark, Mrs. John B. Henderson, Crammod Kennedy, R. Ross Perry, Senstors Bacon, Kenyon, Bradley, Jackson, Chapp, Gallinger, Smoot, Johnson, Ciark, and Poindexter, Representatives Chancey and Bailey, Assizant Secretary of Labor Pest, Commissioner Sid-dons, Gen. Nelson A. Miley, Amistiant Se. Astaunton, Col. Charles A. Williams, and H. Martin Williams.

Postal Scales Ordered.

Postmaster General Burleson yester-day announced that he has ordered im-mediate delivery of \$5,000 parcel post scales, each with a 100-pound weight capacity, for distribution to postmas-ters throughout the nation. The pres-ent maximum weight limit is twenty pounds for one package.

The Evening of Life

Rheumatism, Thinness, Bad Cough and Most Infirmities of Advancing Years May be Avoided

Vou can see how we looked before using S. S.

It is astonishing how quickly elderly stimulation on these local cells as to people respond to the spiendid influence of S. S. S. In addition to its wonderful medicinal properties it contains just the right exhibitantion required for those who are getting feeble. This famous blood purifier starts myriads of cells into action; its arouses countiess nerve centers to excite warmth and energy.

Beginning its work in the stomach, the appetite is strengthened, digestion improved means more, better and quicker nutrilion. And as the arteries fill with richer blood, the muscles become more firm and all the organs of the body are influenced to promote the return of general health. The strange, moody are influenced to promote the return of general health. The celling of depression is lifted, and the active purpose of stimulating each cellular part of the tissues to a bealthy and judicious selection of its own essential nutriment. A shealthy and judicious selection of its own essential nutriment, because of the bott if corn the present of the control of the control

solved the ugual case of Author vs. Pro-ducer with excellent results. Carey Lee is also the author of "Poer Old Mother" is still another. Mr. Clark will make and the two-part drams, "Hearts," both produced by Rellance.

"By Man's Law," "A Cure for Suffra-gista," and "The Detective's Stratagem" are three of the new Biograph plays to be released during the coming week. All of the old Biograph favorites will be seen in the new plays in parts particu-larly suited to their talent.

seen in the new plays in parts particularly suited to their talent.

Little Mary Pickford, having recovered from a recent lineas, has again returned to work, and many surprises are expected in the way of feature productions of high art, the foremost of which is expected to be the famous. "Madam Butterfly," in which this popular little star is expected to be the famous brilliantly.

Some idea of the demand for the services of Miss Pickford may be gleaned when it is taken into consideration that me less than six of the large film concerns offered salaries unheard of before. There were also handsome offers for appearances in the high-class vaudeville circuita, one offer for appearances in the high-class vaudeville circuita, one offer for appearances in the high-class vaudeville circuita, one offer for appearances of the famous Players' Company, of New York, at a salary said to be the highest ever obtained under a long-term contract, on Monday night, at the Hamilton Theater, New York City, Little Mary, in company with her mother; Mr., at a salary said to be the highest ever obtained under a long-term contract, on Monday night, at the Hamilton Theater, New York City, Little Mary, in company with her mother; Mr., and a said and the said of the Famous Players' Chrohor-lin-law, attended the first showing of Capfice." In which the little star appared in the leading role.

This production was received wonderfully, and at the conclusion of same a side announced the presence of Little Mary, and when the spotlight was turned on her the audience applauded for nearly twenty minutes, and were not assisted with a modes! little spanch. Nearly half of the audience in the production of the audience applauded for nearly twenty minutes, and were not applauded for nearly twenty minutes, and were not applauded for nearly twenty minutes, and were a service of the suddenty of the spance. Nearly half of the aud

Small Talk of the Stage.

Rehearsnia are being held for the fourth of Oliver Morosco's outgoing 'Peg o' My Heart' companies.

Thirty theaters in London are reported to be doing excellent business.

Charles Prohman's next musical edy production in this country will be "The Laughing Husband," by a new composer and now the principal musical country success in London, where it is crowding the New Theater every night.

PRIMA DONNA HAS FREE VOCAL SCHOOL

It is not generally known that Jose Collins, the prima donns with "Elegfield Folliss," which comes to the National Theater Monday, has established and is now maintaining a free votal college in New York. The idea of opaning such an establishment was suggested to Miss Collins, by Doris Easton, a saleswoman in one of the New York department stores, who, although possessed of votal idlents, was unable, for financial residents, was unable, for financial residents, was unable, for financial residents.
